Mr. Geo. H. Himes

My Dear Mr. Himes Tomorrow is
the first day of June and I have not
yet seen anything of the McCornick
portrait, Have you? And that of Mr.
Philip Wasserman, And that of L. M.
Starr you have in your collection
but hard to get at, I suppose, Well,
I finished that of Pinnoyer yesterday and
my card is clear of Mayors awaiting
the arrival of some of those photos
promised you, I don't think it is any
use of trying to dig up Farrar.
If you will make an effort to secure
the other three mentioned above I'll call
it a finis and come on with the lot
and make an exhibition of them Thanking
you, Mr. Himes, for past favors I am yours
Geo. Geyne
