

Aurora Sept. 14, 18

Mr. Geo. H. Himes

Portland Me.

Dear Mr Himes

I delayed thanking
you for the V. you were so good
to loan me thinking I would be
able to write a piece about the
large painting, but as that is slow
coming on paper I will delay no
longer, lest you might worry about
the \$5⁰⁰ safe arrival. Many thanks
untill you are better paid

Yours Truly

Gegoux
