

Aurora Ore, April 21/21

Mr. Geoff. Hines

Dear Mr. Hines

The enclosed bill
from D. C. Burns Co. although
paid for, shows that I have
bought the brooms.

Am I to understand that
you have these things charged
to me?

And, an other thing I want
to understand is I have you
given Ben Smith the per-
mission to pasture his stock
on the Champlain grounds?

On account of his taking pos-
sion I am unable to have a
garden again this year, I don't
see my way clear how I am
going to make my living here

will you please, write me an
answer to the above questions

and oblige

Yours truly
