Dear Mr. Himes:

In as much as you are coming to Champsoeg by Boat on Saturday this week I wish it was advisable to attempt bringing me a few things I need in the line of Groceries — such as a case of Milk and other things which is difficult to procure by Parcel-Post. If you think it feasible will you advise me by return mail and I will send you a list of the goods I need. The last case of Milk I got was from Salem and I had to carry it from my mail box which is more than $\frac{1}{2}$ mile away from my door, Awaiting your reply I am
yours Truly Theo Gegoux
